PROFILE

SWASTIK INTERCHEM PVT LTD. (AN ISO 14001:2004 & 9001:2008) Crisil rated company, brainchild of Dr. Kamal Jain Sethia (Ph.D.), started import, trading of chemicals in 2012. We are importer, exporter, indentors and stockist of Titanium Dioxide, Pigments, Resin, Chemicals, Petro Chemical, Toluene, Mixed Xylene, Normal Butanol, Butyl Acetate, Water Base, Lead Free Pigments etc. starting from catering to local user soon it started catering to multinational companies on PANINDIA level and now moving forward to meet the requirement on International customers. Material has already been exported to Nepal, Srilanka and Bangladesh.

We are catering to the needs of many multinational companies, public sector units and reputed national companies in Footwears, Paints, Cosmetics, Printing Ink, Flex & Laminator, Packaging, PVC Board, PVC Pipes, Paper Mill, Pvc Leather Cloth, Master Batch, Soap, Leather, Plastic and Rubber Industries etc. up to their complete satisfaction and we are having sound relationship with them.

We keep on introducing new range of products according to the need of the industrial world with very high international standards and excellent results.

Within span of Ten years we have grown into market leaders and have forayed into new international markets. We are proud to have professional team of technical experts for product innovation and dedicated team of marketing professional to serve better.

Since competition is getting tougher and tougher with each passing day, more and more Indian and international companies are coming into the market, but we believe in serving with a smile and having long lasting relationship with our clients which help to fight the competition.

Our storage facilities are one of the best in this industry with different storage sections for raw material.

We have state of the art laboratory for testing raw material and after going through the rigorous process of testing the raw material to our complete satisfaction we allow the material to go to storage room. We do batch wise testing and keep the batch record in our books.

We have very friendly working environment and provide very good facilities to our entire staff so that they can contribute maximum towards the growth of the company.

We have already started manufacturing of Pigments, Resins & Thinner under the banner of SIPL banner and we are also registered under MSME.

We are importing from China, Korea, France, USA, Dubai, Russia and Germany etc.
We are authorised distributor of some eminent National and International company in India.

We have our own commercial vehicles for prompt supply.

We are committed to providing superior quality of products to our clients and ensure maximum satisfaction. Our quality of products, as well as services is unmatched in the market.
